

Important announcement: action required

When I set up The Sales Consultancy in November 1995 I had no idea where it would go. I had no idea that I would have a following of over 13,000 small businesses on my database in 2015...most of whom I have met personally.

I feel really blessed to have such a loyal following and thank you for all your support, feedback, thoughts and suggestions throughout the years.

You may have noticed that our weekly blog has been a bit absent of late...I'm so sorry. That's because we are all crazy busy getting ready to launch our new platform created specifically to help small businesses like yours generate more sales...it's called Sasudi.com

There will no longer be any small business blogs coming from The Sales Consultancy as this brand will be entirely focused on our corporate clients.

So if you would like to continue getting our tips, insights and thoughts to help you get more sales then register here to receive our twice weekly Sasudi blog.

You'll not only get our new style blog...you will also be the first to know when Sasudi goes live! You can then claim your 60 day free trial and try how it works for you.

I look forward to welcoming you to our new Sasudi family :)

Very best wishes

Leigh xx
